Subject: RE: Programmatic Agreement revisions and proposed stipulations

Aloha no kakou,

For months now the OIBC has been anticipating a written response from the FTA regarding our and the City's request to have the OIBC included as an invited signatory to the PA. In the September 11 meeting, we further voiced our specific interest in the FTA's legal analysis of its verbal assertion that the OIBC does not have the standing to be an invited signatory to the PA. We continue to look forward to receiving the FTA's correspondence.

We also feel that receipt of the meeting minutes is critical to our productive participation in the PA consultations. While we have our own notes to rely upon, we would appreciate seeing how those holding the consultation are interpreting the discussions. If we might receive such minutes, we would be most appreciative.

We further believe that a crucial unanswered question must be addressed before we can offer appropriate suggestions to improve the PA: How, if at all, is the PA addressing the FTA's Section 4f responsibilities? This question was asked a few times at the September 11 meeting but was not answered. Without an answer to this question, we are unable to respond to the request for suggested amendments to the draft PA.

Respectfully,
Kehau Abad
OIBC member
